

Cranborne Middle School

A Specialist School

Headteacher: Mr C Watson
Deputy Headteacher: Mrs K Robertson

Design and Technology Dept.

To Parents of pupils in years 5, 6 and 7

September 2011

Dear Parents,

As you are probably aware, we are committed to designing and making high quality products in design and technology lessons and most pupils are able to take home something they can be proud of having made.

Although the department is well-funded, we find that to produce good products we need to spend a little extra on good materials: a modern D&T department cannot run on washing-up liquid bottles and toilet roll tubes.

Because of this, we would like you to provide a voluntary annual contribution of £5 towards the cost of the materials your child will be using in textiles and workshop lessons.

If you have more than one child in years 5 to 7, we would like to ask for a voluntary contribution of £7.50 to cover all children.

The quality of the materials your child will be able to use in lessons will not, of course, be affected by non-payment of the contribution.

Please send the money to be handed in during a D&T lesson. You will receive the reply slip back as a receipt once your child's teacher has countersigned it.

Thank you in anticipation of your understanding and support in this matter.

Yours sincerely,

On behalf of The Design and Technology Team.

I enclose a voluntary contribution towards D&T materials.
