September 2011

Dear Parent/ Carer,

## Workshop Club

I am happy to announce that Workshop Club will be returning on Thursday 22<sup>nd</sup> September.

It will take place every Thursday until 4.15pm.

The club will be open to all pupils in the school.

This year, we will be starting by making a simple display shelf for 16 LEGO minifigures out of 6mm ply.

To cover costs, there will be a fee of £1 for each display shelf *started*.

I anticipate most pupils will be able to make a product within three weeks.

Numbers will be limited to 25 pupils on a first come first served basis.

If your child wants to join, s/he should please return the completed reply slip to me via his or her Tutor Group envelope.

I will start a new project- and a new list- after half term.

Yours sincerely,

Paul March  
D&T Teacher
